

**ENDORSEMENT NUMBER FOUR**

In consideration of the premium at which this Policy is written, it is hereby understood and agreed that aerial application (crop spraying) is an included Use subject to the following additional Exclusions:

1. We will not provide insurance under any part of this Policy or defense under any part of this Policy:
  - a. for any liability arising from the selection or use of chemicals manufactured, sold, handled or distributed by the insured; or
  - b. for any property damage arising from direct aerial application, including but not limited to any adjacent properties (drift); or
  - c. for any failure of the applied seed, fertilizer or chemical to perform or function as intended; or
  - d. for any loss or damage to any aerial application (crop spraying) equipment installed on the aircraft.

All other terms and conditions remain unchanged.

Subject to the policy terms, exclusions, conditions and limitations.
