## CONDITIONS

### COVERAGE I – INSURANCE FOR LIABILITY TO OTHERS

1. **WHAT WE INSURE.** We will pay on behalf of the Insured all sums which the Insured shall become legally obligated to pay as damages because of Bodily Injury, sustained by any person and for damages because of injury to or destruction of property (excluding property of any insured or of any occupant) and arising out of the ownership, maintenance or use of the aircraft described in the Declarations, except as limited by the Exclusions and Conditions sections of this Policy. In no event shall the amount incurred by us exceed the “Limit of Our Liability” as stated in this Policy.

2. **DEFENSE, SETTLEMENT, AND SUPPLEMENTARY PAYMENTS.** Pursuant to all the terms, conditions, exclusions, and limitations of this Policy we shall:

- (a) Defend in the name of and on behalf of the Insured any claim or legal action brought against the insured alleging such injury and seeking such damages as are insured under this Policy. We may investigate, negotiate or settle any claim or legal action as we see fit.
- (b) Pay premiums for appeal bonds and for bonds to release any property that is being held as security. However, we are not under any obligation to apply for or furnish such bonds.
- (c) Pay the expense and the court costs of claims or legal actions we defend, and interest that is owed on a judgement we are paying, until we have paid or offered to pay the part of such expenses and judgement which does not exceed our Limit of Liability as shown in the Declarations.
- (d) Pay expenses incurred by the Insured for such immediate medical and surgical relief to others as shall be imperative at the time of the occurrence.
- (e) Reimburse the Insured for all reasonable expenses (other than loss of earnings or wages and salaries of employees) incurred at our request.

Notwithstanding the foregoing provisions the maximum amount incurred by us in respect to any of the foregoing provisions or all of the foregoing provisions shall not increase the “Limit of Our Liability” as stated in this Policy. Once Policy Limits have been exhausted by defense costs, and/or settlement payments, we will have no further duty to defend or indemnify any insured.

### 3. **LIMIT OF OUR LIABILITY.**

Our total liability for all damages, resulting from “bodily injury” to any one person in any one “occurrence” including all sums paid pursuant to Paragraph 2 of this Section (the defense provision) shall not exceed the “per person per occurrence” limit stated in the Declaration.

Our total liability for all damages, resulting from “property damage” in any one “occurrence” , regardless of the number of persons or organizations sustaining property damage or claims made or suits brought because of property damage, including all sums paid pursuant to Paragraph 2 of this Section , shall not exceed the “ damage to property of others per occurrence” limit stated in the Declarations.

Subject to the foregoing, our total liability for all damages, resulting from any one “occurrence” including all sums paid pursuant to Paragraph 2 of this Section, shall not exceed the “per occurrence” limit stated in the Declarations regardless of the number of:

- (a) Insureds under this Policy.
- (b) Persons or organizations sustaining bodily injury or property damage.
- (c) Claims made or suits brought because of bodily injury or property damage.

Because any settlement under this policy will reduce or eliminate remaining applicable limits to settle and/or defend additional claims, we shall not settle claims under this policy, even if such claims are within the applicable limits of liability, unless the person(s) making such claims release all insureds under the policy as a condition of such a settlement.

The Limits of our liability shown in the Declarations are not increased because more than one person, organization, or the manufacturer is included under this Policy as an Additional Named Insured.

**4. INSURED'S DUTIES.**

- (a) When anyone is injured or there is damage to the property of others as a result of an occurrence involving the insured aircraft, the Insured must immediately notify us and file an Incident/Accident report as soon as possible thereafter. Such notices shall contain particulars sufficient to identify the Insured and also reasonably obtainable information respecting the time, place and circumstances of the accident or occurrence and the names and addresses of the injured and of available witnesses.
- (b) If claim is made or suit is filed against the Insured, the person or organization insured must immediately notify us in writing and forward the suit or claim and any demand, notice, summons, or other legal document to our authorized representative. We shall have the right to make such investigation, negotiation and settlement of any claim or suit as we deem expedient.

**COVERAGE II – AIRCRAFT PHYSICAL DAMAGE**

1. **WHAT WE INSURE.** We will repair or replace the aircraft described in the Declarations attached to this Policy if the aircraft is damaged during an occurrence while in motion, or while not in motion, including disappearance, except as limited by the Exclusions and Conditions sections of this Policy. In no event shall the amount incurred by us exceed the "Limit of Our Liability" as stated in this Policy.

2. **DEDUCTIBLE.** We will deduct from the amount we owe for each and every loss under this Policy the deductible specified in the Declarations.

3. **LIMIT OF OUR LIABILITY.** Our total liability for damage to the insured aircraft shall be limited as follows:

- (a) With respect to claims adjusted on the basis of a total loss or constructive total loss, we will pay the actual cash value calculated by taking the maximum value of the aircraft as shown in the declarations and subtracting the amount specified per hour for each hour of service since new or since the last factory or authorized Service Center overhaul and subject to the Policy Exclusions, Conditions and Limitations, and less the applicable Deductible shown in the Declarations.
- (b) The amount due under this Policy in respect to a partial loss shall not exceed the amount due were the loss payable as a total loss. There shall, however, be no abandonment without our express consent.
- (c) In the event of a partial loss to the aircraft, all repairs required to make the aircraft airworthy shall be performed by the manufacturer. An Aircraft Physical Damage claim will be deemed as null and void if repairs to the aircraft are performed by any company or person(s) other than the manufacturer unless our prior written approval is obtained.
- (d) The cost of recovering and transporting the aircraft to and from the manufacturer's facilities or any other repair facility designated by the manufacturer, shall be paid by the insured and such transportation costs shall not be deemed to be a part of the deductible or claim amount.
- (e) In the event the manufacturer determines that the repairs to the aircraft are to be performed at a repair facility other than the factory, written authorization from the manufacturer so specifying must be received by the Insured prior to commencement of work by the designated repair facility.
- (f) With respect to a partial loss to the aircraft, we retain the option to repair or replace the aircraft, or to pay for the loss in money. The decision as to the method of repair to be used, and whether to repair or replace the aircraft, or whether to pay for the loss in money will be at our discretion. The limit of our liability shall be to repair or replace the aircraft or such part thereof with like kind and quality, with deductions for depreciation of life-limited components, and the applicable Deductible as shown in the Declarations.

4. **INSURED'S DUTIES WHEN LOSS OCCURS.** When loss occurs, the Insured shall:

- (a) Take all reasonable measures to recover and protect the aircraft and any further loss due to the Insured's failure to do so shall not be recoverable under this Policy; expense incurred in such recovery and affording such protection shall be the responsibility of the Insured.
- (b) Notify us within twenty-four (24) hours and file an Incident / Accident report with us as soon as possible thereafter. In the event of theft, larceny, robbery, pilferage or vandalism, also notify the Police. We shall not be responsible for the payment of a reward offered for the recovery of the insured property unless authorized by us or our representatives.

- (c) Take, or arrange to have taken, not less than ten (10) good quality photographs of the damaged aircraft immediately after the damage has occurred. The photographs shall be taken from various angles so as to show the damaged areas in detail. The photographs shall be forwarded to the manufacturer in Torrance, California, within ten (10) days after the accident has occurred.
- (d) Bear the cost and responsibility of recovering and returning the damaged aircraft to the manufacturer's factory in Torrance, California or, such other location as might be designated by the manufacturer, for repair or replacement within forty-five (45) days. All of the aircraft's parts and components shall be returned, and the aircraft shall not have suffered any significant post-accident damage when it arrives at the manufacturer's factory.
- (e) Sign an appropriate authorization form for the manufacturer's factory to commence work for the repair or replacement of the damaged aircraft or its components.
- (f) File proof of loss with us or our representatives within sixty (60) days after the occurrence of loss; submit to an examination under oath by any person named by us as often as required, produce for examination at such reasonable place as may be designated by us or our representatives all logbooks, books of accounts, bills, invoices, and other vouchers, or certified copies thereof if the originals are lost and the Insured shall permit extracts and copies thereof to be made.
- (g) If the Insured is unable for any reason to return the damaged aircraft to the manufacturer's factory in Torrance, California then the Deductible shown in the Declarations shall be two times (double) the amount shown.

5. **THEFT.** If the aircraft, or any part of it, is stolen and recovered before we have paid for it, we may return it to the Named Insured with any physical damage to it repaired or paid for in accordance with the terms of this Policy. Whether before or after settlement of the loss, the Insured must notify us as soon as the aircraft, or any part of it, is located.

6. **LIKE KIND RESTORATION.** Power plant, rotors, or other components of like make or type may be substituted. The value of any such installed substituted item shall not exceed the value of the item originally installed unless endorsed hereon and any required additional premium paid hereon. The Insured shall pay the pro-rated cost for the replacement of life-limited components.

7. **APPRAISAL.** We shall be the sole judge in determining the method of repair to be used, and whether to repair or replace the aircraft, or whether to pay for the loss in money. Such determination shall be made with the assistance and recommendations of the manufacturer of the aircraft covered by this Policy.

8. **NO BENEFIT TO BAILEE.** The insurance offered by this Policy shall not inure directly or indirectly to the benefit of any carrier or bailee.

9. **REINSTATEMENT OF VALUE.** In event of loss whether or not covered by this Policy the amount of insurance in respect to any aircraft shall be reduced as of the time and date of loss by the amount of such loss and such reduced value shall continue until repairs are commenced. The insurance shall then be increased by the value of the completed repairs until the amount of insurance is fully reinstated or the Policy has expired. No return of premium shall accrue hereunder.

#### **ADDITIONAL CONDITIONS**

These conditions are in addition to the conditions for Coverage I and Coverage II and apply to all coverage afforded by this Policy. Please read them carefully.

1. **ASSISTANCE AND CO-OPERATION.** The insured must co-operate with us and attend hearings and trials if we request, allow us to take statements under oath of the Insured and anyone we choose, and must assist us in effecting settlements, securing and giving evidence, obtaining the attendance of witnesses and in the conduct of suits. The Insured must not, except at their own cost, admit any fault, make any payment, or take on any obligation.

2. **ACTION AGAINST INSURED BY US.** We have the right to sue the Named Insured for non-payment of premium due under this Policy, and we have the right to sue the Insured for breach of any other obligation arising from or by reason of this insurance.
3. **PREMIUM FULLY EARNED IN THE EVENT OF A CLAIM.** If any claim arises with respect to the aircraft insured herein, if such claim is in an amount in excess of the premium applicable to that aircraft, then the full annual premium (as shown in the Declarations) shall automatically become fully earned and shall be due and payable immediately.
4. **INSPECTION AND AUDIT BY US.** We or our authorized representative(s) are allowed to inspect the aircraft, and all books and records relating to the aircraft, at any time during the Policy period and up to one year after the end of the Policy period or until final settlement of all claims is made.
5. **OUR RIGHT OF RECOVERY.** If we make any payment under this Policy which can be recovered from somebody else, the Insured agrees to transfer to us, in exchange for that payment, any right to make this recovery. The Insured must do everything necessary to transfer this right of recovery to us, including allowing suit to be brought in the name of the Insured. The Insured must not interfere with our effort to recover and must preserve any evidence. We are not obliged to attempt to recover any deductible that may have been paid unless a specific request to do so is made to us in writing.
6. **OTHER INSURANCE.** Except with respect to insurance bought by the Insured to apply in excess of this Policy, if the Insured has other insurance which will also pay for an accident or occurrence insured by this Policy, we will only pay the percentage that the limit of this Policy bears to the total limit of all policies valid and collectable against such damage, loss, liability or expense.
7. **CHANGES.** Notice to or knowledge possessed by any person shall not effect a waiver or change in any part of this Policy or stop us from asserting any right under the terms of this Policy; nor shall the terms of this Policy be waived or changed, except by Endorsement signed by us and issued to form a part of this Policy.
8. **TRANSFER OF INTEREST.** Transfer of interest in this Policy cannot be made by the Insured without our written consent in the form of an Endorsement agreed to and issued by us.
9. **POLICY CANCELLATION BY NAMED INSURED.** The Named Insured may cancel this Policy at any time by notifying us, in writing in advance of the date that this insurance is to be cancelled, but if this Policy contains additional insureds or agreements to notify other parties a certain number of days in advance of cancellation, then that number of days (plus three working days for us to prepare the necessary documents) must be taken into account when advising us of the date that this insurance is to be cancelled. If the Named Insured cancels we will compute the premium earned in accordance with the standard short rate table shown on the last page of this Policy.
10. **POLICY CANCELLATION BY US.** We or our authorized representative may cancel this Policy at any time by giving notice to the Named Insured at least 30 days before the date that coverage will cease. If we cancel because the premium has not been paid, we can do so with 10 days notice. Notice may be given by post or by electronic means, including cable, electronic mail or facsimile, to the last known address or number of the Named Insured. Proof of having dispatched the notice is sufficient proof that we have issued notice. We will compute the premium earned by us based on the percentage of the Policy period used multiplied by the annual premium.  
We will return to the Named Insured any premium paid that we have not earned, but making the refund at the time of cancellation is not a condition of cancellation. However, no return premium shall be paid to the Named Insured if a loss is paid or reserved under this Policy in excess of the Annual Premium.
